President's Message

Dear KAFA Members, Friends, and Supporters:

I am sure most of us still have family members back in Korea, and as of now, the epidemic Coronavirus has affected almost six thousand people there. So, we are worrying, but at the same time, relieved that the virus has affected only several dozens here in the States and Canada. I would also like to cheer up KAFA members in China, Hong Kong, Singapore, and other Asian nations. We just hope and pray that the virus would be contained and controlled soon without causing further fatal casualties and infection.

I am deeply honored to serve as President of KAFA for the 2019-2020 year. First of all, I would like to thank Professor Sahn-Wook Huh (outgoing President) for his outstanding service and leadership for KAFA. Professor Huh played a key role in making certain that our financial resources are available by enthusiastically communicating with the current and potential donors and supporters and personally visiting them in Korea and California.

I welcome KAFA's new Executive Officers, and I am also grateful to the members who have made unwavering efforts to make the transition smooth: Professor Kiyong Chang (University of South Florida Sarasota-Manatee) was elected to serve KAFA as the next president (President-Elect); Professors Haemi Choi (Loyola University Chicago), Hugh Hoikwang Kim (University of South Carolina), and Hwagyun (Hagen) Kim (Texas A&M University) joined as members of the Executive Board; Dr. Sangwoo Lee willingly agreed to be the Chair of the Dr. Bong-Soo Lee Scholarship Fund Committee, and Professor Jaewon Choi (University of Illinois) accepted to join the Committee to provide advice on managing the Fund; Professor Woojin Kim (Seoul National University) successfully filed the documents with the Korean authority and will serve as the new Representative of the KAFA Korea, with the assistance of Professors Kwangwoo Park (KAIST), Noolee Kim (Hanyang University), and Sang Whi Lee (Kyung Hee University) who will serve as

members of the Board of Directors for the Korean entity; Professors Hwagyun (Hagen) Kim (Texas A&M University), Jongsub Lee (Seoul National University), Suzanne Lee (Georgia Tech), and Hayong Yun (Michigan State University) have provided insightful advice as members of the Paper Review Committee. I would also like to take this opportunity to thank Professor Noolee Kim (Hanyang University) who has represented and greatly contributed to KAFA for more than three and half years as Secretary General in Korea, helping Professors Kwangwoo Park (KAIST) and Woojin Kim (Seoul National University). KAFA has fortunately found a nominee to be voted by members of KAFA for the Secretary General in Korea: Professor Jongmin Oh (Sungkyunkwan University) has been nominated for the position, and agreed to serve if elected.

During last year's Annual Business Meeting in New Orleans, KAFA presented several awards to recognize KAFA members' outstanding scholarly achievements. These awards include the Financial News (FN)-KAFA Eminent Scholar Award, the Shinhan Bank (SHB)-KAFA Young Scholar Award, the SHB-KAFA Best Paper Award, the FN-KAFA Top Journal Paper Award, the FN- KAFA Doctoral Student Dissertation Award, and the Dr. Bong-Soo Lee Scholarship. In addition, KAFA provided the SHB-KAFA Doctoral Student Travel Grants to eight doctoral students. On behalf of KAFA, I congratulate all the award recipients. In particular, I greatly appreciate the generous financial support provided by the Financial News (Executive Vice-President Mr. Sang-In Nam attended the Annual Meeting in person), Shinhan Bank (Senior Vice-President Mr. Koomin Chung attended in person), and Chris & Paul Lee (who support the Dr. Bong-Soo Lee Scholarship Fund). There were two new categories of awards. The KAFA Distinguished Service Award was given to Professor Yong H. Kim (University of Cincinnati) and the D.K. Kim Distinguished Scholar Award was given to Professor Cheol Eun (Georgia Tech). The latter award in particular was possible due to Mr. D. K. Kim's generous financial support.

As in previous years, KAFA successfully offered the two KAFA-FMA sessions at the FMA Annual Meetings last October. In the Korea Panel Session (moderated by Professor Sahn-Wook Huh), Drs. Kook Ka, Nam Gang Lee, and Sang-Yoon Song from the Bank of Korea presented their papers. In the Asia Panel Session (moderated by myself), Dr. Minkee Song (Korea Institute of Finance), Professor Yajun Xiao (University of College Dublin), and Professor Xian Sun (Johns Hopkins University) contributed to the presentations. Both sessions were valuable opportunities to understand the current issues and developments in Korean and Asian financial markets. I would like to thank all participants in the two sessions, as well as Dr. Woon Shin (BOK Economic Research Institute) and President Sangho Sohn (Korea Institute of Finance) for their generous support in many aspects.

We also had a joint seminar with Korea Capital Market Institute (KCMI) in Seoul, Korea in December, 2019. I thank our members Unyong Pyo (Brock University), Hoikwang Kim (University of South Carolina), and Youngjae Choi (University of California, San Diego) for their seminar presentations. My special thanks go to Drs. Young S. Park (President of KCMI) and Bosung Shin (Vice President of KCMI) for organizing and supporting the seminar. I also thank Professors Seungjoon Oh (Peking University), Sung C. Bae (Bowling Green State University), and Joonki Noh (Case Western Reserve University) for presenting their papers at the 2019 Conference on Asia-Pacific Financial Markets (CAFPM).

Next, as discussed and approved by the Board of Directors, KAFANA has launched two, new exciting projects. First, for the first time in the history of KAFANA, it hosted a dinner during the ASSA meeting in San Diego in January 2020 for those scholars from KFAs and sponsoring institutes in Korea. Professor Kwangwoo Park (KAIST) and Dr. Sangho Sohn (President of KIF) and 14 others attended the dinner. Second, the KAFANA has initiated its intermediary role between scholars who are aspiring to be visiting scholars and the US and Canadian universities that are willing to be hosts for those aspirants. The details are now being ironed out between KAFANA leaderships in the US and Korea.

Finally, KAFANA has recently announced calls for papers for the two conferences to be organized with our Korean partners: the KAFANA- KFAs Conference and the KAFANA-KIF joint Symposium. You will find the details on the joint conferences in this newsletter. Partial travel support will be provided to the presenters of selected papers at the two conferences. I encourage many KAFANA members to participate in the joint conferences. I hope that these two conferences would be held as scheduled, but given the Coronavirus situation in Korea now, I am not 100% sure they surely will.

We have witnessed an impressive growth of KAFANA over the past years, owing to your strong support and active participation. To make KAFANA a great academic and collegial community that promotes our professional goals, we all know that it is highly important for every member to play a role in the endeavors. I hope you will continue to support KAFANA in one capacity or the other. I look forward to meeting with you all in the upcoming conferences. Thank you.

Sincerely,

Y. Peter Chung

2019-2020 KAFANA President

University of California, Riverside
